Community Walk, Starting at the High Level Arena Parking Lot.

For more information call our office at 780-926-3375.

Safest not to use alcohol during pregnancy.

Community BBQ

Friday, September 9th, 3pm to 6pm at NWR FASD Society:

Sheltering Arms. 10502-103 Street, High Level.

Sponsored by High Level Tim Horton's, TGP-Your High Level Grocer and Kevin's Your Independent Grocer.

September is FASD Awareness Month, everyday in September we will be spreading the word about Fetal Alcohol Spectrum Disorder (FASD). We celebrate the strengths of individuals who have FASD, their families who support them and discuss prevention of prenatal alcohol exposure.

International FASD Day is recognized on September 9th every year; we bring recognition and awareness to our communities about FASD.

This year we will be hosting a 9 block walk and invite all community members, agencies, schools and businesses to join us. Please join us at the High Level Arena parking lot by 9am, our walk will commence at 9:09 am.

We ask that participating individuals wear the colour red. Red represents the strengths of individuals with FASD.
